branch email: [northstaffsca@yahoo.co.uk](mailto:northstaffsca@yahoo.co.uk).

## ANNUAL TRIP: SATURDAY 20 MAY 2023, WROXETER ROMAN CITY (VIROCONIUM) & WALL (LETOCETUM)

This year we are not travelling by coach, or minibus as originally planned, but by car. We now consider that it will be more cost effective for Members to travel in cars and gather at the site car parks.

Those joining this trip can either join a group leaving Keele Campus at 9 a.m. or travel independently and meet us, in the Wroxeter Car Park (**SY5 6PJ**) at about 10 a.m. (Further details will be given to everyone making a booking.) *Please indicate below your choice of driving or receiving a lift from others.*

We shall visit the Roman City and newly re-organised Museum before leaving for Lichfield, where there will be the opportunity to eat packed or locally bought lunches as you choose, and/or visit the Cathedral. We shall then leave for the Wall site (**WS14 0AW**) for a visit of about an hour, before returning to Keele. There will be no group meal on this occasion, in order to make the day shorter, as requested by Members last year. As we have no transport hire costs, there will be no charge for this event, or costs on the day, apart from admission at Wroxeter for those without Membership passes, and food.

Please return the slip by post as soon as possible as above and **not later than 9<sup>th</sup> May**, (or internally at Keele University, c/o Staff Common Room). Once we have received these replies, more information will be sent out in due course to those who have responded, including final details of timing and meeting places, parking for those travelling by car, and lift arrangements. **See also the web site in coming weeks.**

The "Old Work" at Wroxeter

Wall Roman Site

✂-----

I and \_\_\_\_\_ guests wish to attend the trip to Wroxeter and Wall.

I do/do not have English/Welsh Heritage Membership passes for ..... (*please insert number*) of my party.

I/we currently expect to travel by car/can offer lifts/would prefer to receive a lift (*delete as appropriate*)
